

## MACHINE-DATA

|                  |                            |
|------------------|----------------------------|
| Machinetype      | : Tryout Press - hydraulic |
| Make             | : HIDROLIKSAN              |
| Type             | : HD 160                   |
| Year             | : Neu                      |
| Control type     | :                          |
| Control          | :                          |
| Storage location | : Günzburg                 |
| Origin           | : Turkey                   |
| Delivery time    | : immediately              |
| Quotation        | : from stock               |
| Price            | : on request               |

## TECHNICAL DATA

|                               |                   |
|-------------------------------|-------------------|
| pressure                      | 160 t             |
| stroke                        | 400 mm            |
| Frame Width                   | 350 mm            |
| column daylight               | 1.100 mm          |
| cylinder diameter             | 120 mm            |
| work height max.              | 900 mm            |
| total power requirement       | 5,5 kW            |
| weight of the machine ca.     | 1.400 kg          |
| dimensions of the machine ca. | 1800x1000x2550 mm |

## TECHNICAL DESCRIPTION

### Accessories / equipment:

- stable welded construction
- Pressure cylinder laterally adjustable
- Electric control via selector lever / manually via hand lever
- Pressure gauge via pressure gauge
- Material supports adjustable in height by cylinder
- CE mark
